

LFCA meeting minutes - March 13 , 2014

Present: Bev Franklin, Sam Packer, Wes Cox, Dan Kolcun, Chip Cochran

February's meeting minutes were approved

1. A neighbor called regarding a dead tree behind several houses in the vicinity of 7704 and 7708 Bertito Lane. The neighbor was requesting that the LFCA investigate and have the tree taken down.
2. LFCA members discussed options regarding the fallen sign on Maritime lane. Signs by tomorrow stated that reinforcing the sign with aluminum and re-mounting would cost somewhere between \$200 to \$300. It was resolved that we will also ask Signs by Tomorrow to quote out simply replacing the entire sign.
3. The LFCA will need a critical mass of people to sign up to get their curb numbers re-painted in order to make it cost effective. It was not quite resolved how many would be needed, but so far, numbers are quite low.
4. Dan set up a Facebook page - "Lakeforest HOA" - for people to keep up with news and events via Facebook.

The meeting was adjourned at approximately 8:15
